

Open Horizons Summit

Budapest April 4-6, 2016

Need a little help convincing your boss that your trip to Budapest is worthwhile?

Here are some of the reasons why you should come to the Open Horizons Summit in April 2016:

1. Content - You can immerse yourself in five days of business and technical sessions, keynotes, panel discussions, and specialty programs on topics such as Collaboration, Data Center, Mobility, Endpoint Management and Security.

2. First-class instructors - Learn from Micro Focus engineers and some of the OH Community top technology experts in our technical hands-on training sessions and hotlabs.

3. A personalized experience - Learn in the format that works for you, from traditional breakout sessions to labs and Technical Seminars, and customize your learning through our Learning Paths.

4. There is something for the business audience too - If you are an IT Manager, the Business track sessions from Micro Focus and our Summit sponsors is just for you.

5. Tech Lounge Exhibition area

Catch up with your existing IT suppliers, view demos, and explore the latest solutions from Micro Focus, SUSE and technology partners who are all part of the exhibition area.

6. Hands-on learning - Get hands-on training in interactive labs and technical seminars

7. Meet the Engineers & Management team - Connect with Micro Focus engineers and with the TOP Management of Micro Focus for informal 1-on-1 discussions on the topics that matter most to you.

8. Networking - Meet with colleagues from around the world to share ideas and insights

9. FUN - Have FUN at the reception in the Tech Lounge and during social events during the OH Summit.
